

# **FYP WEEKLY PROGRESS REPORT**

**(Week: November 3rd – November 17th, 2025)**

**Project Manager:** Prof Dr. Muhammad Ilyas

**Project Supervisor:** Dr. Hussam Ali

**Team Lead:** Asma Khanum

**Member 1:** Mahnoor

**Member 2:** Wajeeha Safdar

**PROJECT TITLE:** “Real Time Web Based Bus Tracking System”

## **Progress Update:**

We've started discussing the architecture of our system and are currently working through the design using diagrams. Alongside this, we conducted research on the *Track My Train* application to understand similar system workflows and features. We also shortlisted potential names for our FYP and will finalize the title after reviewing it with our supervisor this week.
